# Special Education Advisory Council

**Welcome to the 2025–2026 School Year!**

**Dear Families, Staff, and Community Partners,**

The SEAC is excited to welcome everyone to a new school year filled with opportunities to collaborate, support, and advocate for our students with exceptionalities. Our mission remains clear—working together to promote inclusive practices, share diverse perspectives, and strengthen our school’s special education services.

## **Looking Ahead**

This school year, we will focus on:

- Hosting quarterly SEAC meetings open to the public. to encourage transparency and engagement.
- Partnering with families to provide information on navigating special education services. R

- Reviewing and providing input on school policies and practices affecting students with exceptionalities.

We look forward to a year of meaningful dialogue, collaborative problem-solving, and celebrating the successes of our students. Together, we can make a difference!

### **Stay Connected**

Meeting dates, agendas, and resources will be shared through our school's website and Pelican Press. We invite all families and community members to join our conversations and help shape the future of special education here at LAVCA.

Warmly,

Royann Smith

Special Education Advisory Council
